

Who won the Asia Cup 2022?

- a) Pakistan
- b) **Sri Lanka**
- c) India
- d) Afghanistan

Sri Lankan cricket team has won the Asia Cup 2022. Final of this tournament was played between Pakistan and Sri Lanka. Wanindu Hasaranga is man of the series. India did not qualify for the final of Asia Cup 2022. This tournament is important for preparation of T20 world cup. Pakistan cricket team showed good performance throughout this tournament and will be a hot favorite team for the upcoming World Cup T20. Pakistani batsman Muhammad Rizwan is at the top spot, whereas Babar Azam is 2nd in ranking. England's cricket team arrived in Pakistan to play 7 T20 International matches against the host. This is a good opportunity for Pakistan Cricket Team to get ready for the World Cup. PCB has announced the squad for the series against England, as well as for the World Cup.
