

It was difficult to imagine Fatima _____ women as a psychiatrist, listening while others talked was not her style .

It was difficult to imagine Fatima _____ women as a psychiatrist, listening while others talked was not her style .

A. A talkative

B. A cheering

C. A smiling

D. Aggressive

Option A : Second part of the sentence indicates that Fatima is talkative and do not listen to others So she can not be a good psychiatrist . The right choice is A .
