

National Flower OF USA is _____?

A. Rose

B. Jasmine

C. Tulips

D. None of these

Explanation

National Flower OF USA is Rose.

In 1985, the United States Senate passed a resolution asking the president to declare the rose as the national floral emblem. On November 20th, 1986, then president Ronald Reagan signed a proclamation certifying the rose as the national flower in a ceremony at the White House Rose Garden.
