

The best eatable thing mentioned in Al-Quran is?

A. Apple

B. Banana

C. Honey

D. Bread

Explanation:

The best eatable thing mentioned in Al-Quran is **Honey**.

Is Honey mentioned in the Holy Quran?

Honey is mentioned two times in the Quran, the honey that we use is described in the Quran as a part of the bees' products while the honey that we have not yet used is described in the Quran as the PURE honey that is present in the paradise.
