When is International Mountains Day Celebrated?

- a) **11th of December**
- b) 11th of August
- c) 11th of September
- d) 11th of November

International Mountains Day is celebrated worldwide on 11th December each year. The theme of International Mountains Day 2022 is, “Women move mountains”. More than 15% of world’s population resides on mountains and more than half of biodiversity hotspots are on mountains. Mountains are also source of fresh water for humanity and a lot of food items are also come from mountains.
