

Which European country has become 31st member of NATO?

Which European country has become 31st member of NATO?

a) Sweeden

b) Finland

c) Denmark

d) Romania

After approval for Türkiye parliament Finland is going to become 31st member of North Atlantic Treaty Organization (NATO). To become a NATO member, it is mandatory to obtain approval from all existing NATO members. Finland will formally become NATO member in July meeting which will be held in Lithuania.
