

Which European country has become 31st member of NATO?

Which European country has become 31st member of NATO?

a) Sweeden

b) Finland

- c) Denmark
- d) Romania

After approval for Türkiye parliament Finland is going to become 31st member of North Atlantic Treaty Organization (NATO). To become a NATO member, it is mandatory to obtain approval from all existing NATO members. Finland will formally become NATO member in July meeting which will be held in Lithuania.
