

Which of the following is the Shortest River of the World?

Which of the following is the Shortest River of the World?

- A. Don River
 - B. Roe River**
 - C. North Fork River
 - D. Indus River
-

Roe is the Shortest River of the World.

Roe River

The **Roe River** runs from **Giant Springs** to the **Missouri River** near Great Falls, Montana, United States. The **Roe River** is only 201 feet (61 m) long at its longest constant point, and had been named as the World's Shortest River by the Guinness book of World Records before Guinness eliminated the shortest river category.
