

Who was the first man to reach the south pole?

Who was the first man to reach the south pole?

a) Robert Scott

b) Roald Amundsen

c) Ernest Shackleton

d) Edward Wilson

Roald Amundsen was the first man in history to reach the south pole on December 14, 1911. He was a Norwegian explorer who along with four others made history by reaching south pole for the first time in history of mankind.
